

RITE NOW @ ROP

On Tuesday February 1st, 2022, Board of Clark County, Nevada Commissioners in recognition of Human Trafficking Prevention Month and the work of the Southern Nevada Human Trafficking Task Force (SNHTTF). The Embracing Project was recognized for its efforts as an active member of the Southern Nevada Human Trafficking Task Force and serves on both the Victim Services Committee and the Education Committee.

The SNHTTF is a collaborative partnership between local, state, and federal agencies, local non-profits, faith-based organizations, businesses, and community members to address all forms of human Trafficking.

The mission of the SNHTTF is to ensure the protection of victims, prosecution of offenders, and prevention of all forms of human trafficking through effective coordinated partnerships.
