Your donations go toward:

- Emergency food
- Hygiene products
- Clothing & toiletries
- Basic needs supplies

Honoring Giving Tuesday with TEP as a Worldwide Celebration of Generosity

Today is Giving Tuesday and The Embracing Project (TEP) – a non-profit that provides support services and healing for young survivors of violence, sexual exploitation, and trafficking – has launched its Giving Campaign. During the holidays and the current economic environment, TEP has experienced an increase in referrals; donations ensure this non-profit has the supplies needed for the youth we support.

TEP is grateful for the generosity of its supporters, including three restaurants in Las Vegas that are graciously hosting a donation box through December 3rd; giving customers an opportunity to make donations to support our mission, while spreading awareness of our programs and services for those in need. All donations go towards the TEP emergency fund to provide emergency food, clothing, and other basic needs supplies for young survivors.

TEP genuinely appreciates the generous contributions from all our donors.

Special “THANK YOU” to VegeNation, Poke Heaven, and Top Sushi & Oyster for partnering with us.
